

ACS: One-Stop-Shopping for Your Flooring Needs

WHY USE ACS FOR YOUR FLOORING PROJECTS

YEARS OF SERVICE

We have been in business for 30+ years specializing in commercial and residential flooring, using a proven and successful business model.

INDUSTRY-DIRECT PRICING

You will not only enjoy our exclusive trade pricing, but benefit from the time and cost savings of having one partner to do it all with, whether or not you want just materials and/or installation.

QUALITY OF WORK

We are an award-winning, highly-rated reliable installation services company with unmatched resources, knowledge, and experience, with certifications from leading flooring trade associations and manufacturers.

FLEXIBLE INSTALLATIONS

We stock your product and can install within 24 hours, 7 days a week, 24 hours a day, regardless of job location. Get what you want, how and where you want it.

EASY TO WORK WITH

A live flooring professional will manage your project with you—from material selection, design options, ordering, scheduling, last-mile delivery, installation, to invoicing—one stop shopping, with a single point-of-contact. And, our customer portal makes it easy to communicate, schedule, pay invoices, and so much more.

FAMILY-OWNED & OPERATED

We are large enough to handle complex projects and small enough to care.

OUR FOOTPRINT

We operate 26 service centers and can service just about any location in the United States.
