

ACS Commercial &
Residential
Flooring Specialists

ACS: Flooring Specialists for the Trade

At ACS, we're not just laying floors; we're laying the foundation for your accelerated success. With over 30 years of expertise in commercial and residential flooring, our award-winning approach is tailored to multi-use or multi-family developers, property managers, and contractors seeking to maximize their returns quickly.

We pride ourselves on being the epitome of efficiency and excellence, offering seamless, one-stop solutions from design to installation. Our commitment to expediting project turnover is unmatched, ensuring you benefit from reduced

downtime and enhanced profitability.

With industry-direct pricing and 26 strategic locations from Maine to Georgia, we guarantee swift, reliable service around the clock. Partner with ACS, and you're not just choosing a service;

you're opting for an experienced ally dedicated to fast-tracking your unit turnovers and elevating your bottom line. Trust in our family to take care of your projects – with ACS, it's more than just flooring; it's flooring with financial foresight.

At ACS, we understand the importance of meeting your schedule, whether it's working around your business hours or coordinating with other service providers in construction or renovation projects. We prioritize timeliness, efficiency and professionalism to ensure a seamless experience. Here is a partial list of why do business with us:

YEARS OF SERVICE

We have been in business for 30+ years specializing in commercial and residential flooring, using a proven and successful business model.

INDUSTRY-DIRECT PRICING

You will not only enjoy our exclusive trade pricing, but benefit from the time and cost savings of having one partner to do it all with, whether or not you want just materials and/or installation. Ask us about our Volume Rebate Program.

QUALITY OF WORK

We are an award-winning, highly-rated reliable installation services company with unmatched resources, knowledge, and experience, with certifications from leading flooring trade associations and manufacturers.

FLEXIBLE INSTALLATIONS

We stock your product and can install within 24 hours, 7 days a week, 24 hours a day, regardless of job location. Get what you want, how and where you want it.

FAMILY-OWNED & OPERATED

We are large enough to handle complex projects and small enough to care.

EASY TO WORK WITH

A live flooring professional will manage your project with you—from material selection, design options, ordering, scheduling, last-mile delivery, installation, to invoicing—one stop shopping, with a single point-of-contact. And, our customer portal makes it easy to communicate, schedule, pay invoices, and so much more.

OUR FOOTPRINT

We operate 26 service centers and can service just about any location in the United States.
